Experience

Founder & Developer

CardsWithFriendsGame.com

Dec 2021 – Present

Remote, USA

- Single-handedly developed a Full-Stack, remote-friendly party game for friends, families, and teams.
- Mapped desired UX flow on Miro and mocked up custom logos and UI components using Canva.
- Developed a responsive React.js front-end composed of both Material UI and custom components.
- Creating a seamless experience while connecting multiple clients to a server by pairing Express and Socket.io.
- Migrated to TypeScript mid-project to take advantage of the linting benefits and scalability potential.
- Configured a plethora of managed services to host live app (AWS S3, CloudFront, EC2, Elastic IP, GoDaddy).

Restaurant Accountant

Restaurant Growth Services, LLC

Dec 2020 – Present

Nashville, TN

- Provided accounting support for 250+ Restaurants including Journal Entries, period-end accruals, and managing financial communication with restaurant operations.
- Used VBA and Excel to automate analysis and communication of inventory volatility, invoice/receipt tracking, expense mapping, and budget-to-actual comparisons saving the department 10+ hours per week.

Fine Dining Bartender & Server

STK Steakhouse & Kayne Prime

Kayne: Oct 2017 – Dec 2018 | STK: Mar 2019 – June 2020

Nashville, TN

- Executed in fast-paced environments on cross-functional teams to provide a world-class customer experience.
- Acquired and leveraged extensive product knowledge to maximize revenue and enhance customer satisfaction.

Staff Accountant

Envision Healthcare (AMSURG)

Oct 2015 – Oct 2017

Nashville, TN

- Gathered, formatted, submitted, and analyzed financial data for 8 ophthalmic surgery centers.
- Identified and resolved variances on Balance Sheet, P&L, Bank, and AR Reconciliations.
- Analyzed financial trends to create budgetary predications for Operations and Stakeholders.
- Managed all financial communication and analysis for Operations, Back Office, and Corporate.

Sales Representative

Cellular World (AT&T Authorized Retailer)

Nov 2014 – Oct 2015

Lexington, TN

- Achieved Top 5 regional sales by demonstrating extensive product knowledge and ability to educate customers about AT&T products and services.
